AELP TRAINING & TESTING AT CARVER

We're a DGCA - approved centre for Aviation English Language Proficiency (AELP). Our 30-hour programme ensures ICAO Level 4 or above - taught by certified language experts.

LEARN FROM THE BEST

Regular guest lectures from industry veterans - including our alumni now flying as commanders and first officers - give our cadets unique real-world insights.

PLACEMENT ASSISTANCE

Our Career & Placement Assistance Cell (CPAS) actively tracks opportunities across the aviation sector. With training, mentoring and industry networking, we support you all the way to your first cockpit job.

JOIN A LEGACY. FLY THE FUTURE.
