

We're Growing with Talent! ✨

We are proud to share that our company has recently onboarded 12 talented pilots who have successfully completed their Commercial Pilot Licence (CPL) training from the Academy of Carver Aviation Pvt. Ltd.

In addition, we are delighted to have successfully placed 2 other CPL graduates with another reputed aviation company.

What makes us even more proud is that many of these graduates have already been selected by leading airlines and are currently awaiting their further induction process, marking the beginning of their professional flying careers.

At Academy of Carver Aviation pvt.ltd, we strongly believe in nurturing skill, discipline, and dedication. These young aviators bring with them not only technical expertise but also a passion for aviation that will strengthen our team and the aviation industry as a whole.

Here's to new beginnings, safe skies, and a bright future ahead! ✈️
